# What we discussed

---

On Friday we met to discuss the following:

- Top Table
- Lunchtime Sports
- Toast
- New Headteacher
- After school clubs

# Top Table and lunchtime arrangements

---

Most classes have asked for music or a film to be displayed on the whiteboard on a Friday during lunch. It is now for each class to discuss it with their teacher and make sure that they and the lunchtime organiser know what the agreement is in their class.

Some classes asked for extra play but this can't happen due to the different lunch timings for the year groups because it will impact their time outside.

Some classes have asked about eating lunch outside on nice days, Mr Mason is going to discuss this with Mr Parfitt and Mrs Bennett.

# Junior lunchtime sports

---

Last time we were asked to pick what sports we wanted to do at lunchtime each day but some classes just made a list of sports.

What sports do we want to play on each day? You can pick two sports for each day.

Monday

Tuesday

Wednesday

Thursday

Friday

You can put cricket and dodgeball down, Mr Mason will discuss whether these can happen with the sports coaches and Mrs Bennett.

# Toast

---

The different suggestions for how to select who gets toast were:

- Amount of Athletics or Times Tables Rock Stars points
- Number of people on the happy side each week
- Number of Raffle tickets given out
- Mr Parfitt picks at random from a jar with all the year groups in
- How well classes look after the playtime equipment
- Scores for weekly spelling or speed grids
- A rota

# Toast

---

We discussed how we can't give it out for

- Amount of Mathletics or Times Tables Rock Stars points
- Number of Raffle tickets given out
- Scores for weekly spelling or speed grids

Because Nursery, Reception, Year 1 and Year 2 don't have Mathletics, Times Tables Rock Stars or raffle tickets and not all of them have weekly speed grids.

We can't give it for names on the happy side because people would be able to cheat.

We said that the playtime equipment would be hard to keep track of as classes might lose or break equipment but that doesn't mean that they weren't looking after it.

# Toast

---

So that left these two options:

Mr Parfitt picks at random from a jar with all the year groups in

A rota

What would you prefer? Option 1 or 2 – vote as a class

1.A rota which is the same each half term

2.A raffle where each year group starts in the pot at the start of the half term and Mr Parfitt then picks one or two out during his Friday assembly. Once a year group has been picked they then can't go back in the jar until the start of each half term to make it fair.

# After School Clubs

---

People have asked if school can start after school clubs again.

After school Maths and English groups started last week and will be running until the end of the half term.

Mr Mason explained how any other after school clubs are up to the adults in the school and whether or not they are able to run them at the moment due to other commitments.

# Other things we discussed

---

Our new Headteacher Mr Williams will be in school on Thursday.

Year 5 asked whether Eid Parties will happen this year, Mr Mason will ask Mr Parfitt.

Year 3 asked if we can have recycling boxes around school, Mr Mason will talk to the office staff and cleaning staff about this.

Year 6 have asked for mirrors in the boys toilet, Mr Mason will discuss this with the office staff and caretaker.

Year 4 have asked for worry boxes in each classroom, Mr Mason will talk to Ms Samuels about this.

Years 5 and 6 have asked for a bench on their side of the playground, Mr Mason will talk to the PTA and Mr Parfitt about this.

---

We will meet as a School Council meeting again in two weeks.

Is there anything that you would like us to discuss?
