

Alma Park Class Council

WEEK BEGINNING 10TH MAY 2021

A decorative horizontal bar at the bottom of the page, consisting of a yellow top section and a black bottom section.

What we discussed

On Friday we met to discuss the following:

- Top Table
- Lunchtime Sports
- Toast
- Eid Parties
- Summer Fair
- Worry boxes
- Recycling

Top Table and lunchtime arrangements

We have now had two weeks of having either a film or music during Friday's lunchtime. It is the responsibility of the class to make sure that this happens each week by telling the teacher or lunchtime organiser.

Eating outside has happened on a few occasions and Mrs Bennett is going to try and do it when they can but it depends on the weather and staff.

The junior classes are now going to start using the trim trail at lunchtimes on the same day they use it at break.

Junior lunchtime sports

Mr Mason has collected the classes school council books in and is going to try and put a rota together for the different sports each year group wants with the help of the lunchtime organisers.

The plan is to try and have the new rota ready for the final week of this half term.

Toast

The options for toast were:

1. A rota which is the same each half term
2. A raffle where each year group starts in the pot at the start of the half term and Mr Parfitt then picks one or two out during his Friday assembly. Once a year group has been picked they then can't go back in the jar until the start of each half term to make it fair.

Each of the junior classes voted and both options got 4 votes. Mr Mason is waiting for the results from the infant classes to see if there is a winning option.

Eid Parties

- Year 5 asked if Eid parties were still going to happen so Mr Mason asked Mr Parfitt
- Ms Samuels came and told the school council that Eid parties are happening this Friday – 14th May
- We can come to school dressed in our party clothes but remember to bring a coat and wear sensible shoes to play out at break and lunchtime
- There will be an assembly to start the day led by Mr Parfitt
- Due to the Coronavirus no food is to be brought into school as we are not allowed to share it
- Each year will have a 30 minute slot in the hall or dining room to play party games and then can have fun activities in their classroom for the rest of the afternoon or watch a film

Summer fair

- The summer fair will be taking place on Saturday July 10th
- It will look a little bit different this year due to the Coronavirus so there might not be as many activities or games
- The PTA would like us to tell them what games we enjoy at the summer fair
- Please tell us what games or activities you would like to have at the summer fair this year and the PTA will see what they can do

Worry boxes

- Two of the classes in the juniors have worry boxes in the classrooms and the other 6 classes have asked for one
- Mr Mason will discuss with Ms Samuels about making ones for the other classes

Recycling

- Mr Mason spoke to Miss Holmes about the recycling boxes that her class asked about
- The children would like a recycling bin in the junior playground for lunchtime single use plastic
- Mr Mason has placed the bin in the picture against the community block in the junior playground so that all junior year groups can access it
- For now we are asking for just single use plastic bottles to go in the bin

Other things still to be discussed

Year 6 have asked for mirrors in the boys toilet, Mr Mason will discuss this with the office staff and caretaker. Another discussion with the office is needed.

Years 5 and 6 have asked for a bench on their side of the playground, Mr Mason will talk to the PTA and Mr Parfitt about this.
