## 22/01/21

## Speed grid challenge

Children only need to complete the first grid. However, if any ine wants the challenge, I have included a grid for the 5 and 10 times tables. Try to complete this independently. Remember that you can use counter, cubes, fingers or anything at all to help you.

36 CHALLENGE SPEED TABLES!													
Date	:		Total in 5 minutes:						Progress:				
Χ	10	2	5	12	6	9	3	1	8	4	11	7	
2													

36 CHALLENGE SPEED TABLES!													
Date	::	-	Total in 5 minutes:						Progress:				
Χ	10	2	5	12	6	9	3	1	8	4	11	7	
5													

36 CHALLENGE SPEED TABLES!													
Date	:	-	Total in 5 minutes:						Progress:				
Χ	10	2	5	12	6	9	3	1	8	4	11	7
