

# **SUPERTATO**

HE'S THERE FOR YOU WHEN  
THE CHIPS ARE DOWN!

For World Book Day 2021, we are reading 'Supertato' by Sue Hendra and Paul Linnet.

You can listen to the story on our class page and have a go at the activities below!

## You could make your own Supertato!

Use a potato as his body, tape or black paper to make a mask and finish off with some googly eyes. You can use felt, paper or tissue as his cape in any colour you like.

## Vegetable Printing

See which vegetables and fruits you have at home. With a grown-up's help, cut them in two or four and see what patterns they make when you paint.

Can you write your name with a carrot?
